

C Wonder English Adventure Camp

A holiday in the mountains, without parents, but with many new friends and a selected and trained international team of Counselors. We guide the campers in discovering the beauty of the mountains, nature, and an active lifestyle. We take care of them at every moment of their daily routine, from wake-up to meals, and in managing their own spaces and belongings. With attentive group management, we create the ideal environment for learning and developing self-esteem, confidence, and personal skills.

An Adventure Camp C Wonder offers kids an experience to become more independent and responsible. They learn and practice mutual respect and openness to new experiences. They will have the opportunity to engage in sports and adventures, team games, and challenges that stimulate attention, observation, problem-solving, and concentration.

And during every moment of the day, every activity, for every relationship, game, joke, explanation, song... we ALWAYS speak in English!

Camp takes place in **Forni di Sopra**, a small mountain village in the **Dolomites**, in Friuli Venezia Giulia, **Italy**

We will have **our own facility**, with rooms accommodating two to five people, a large dining hall, and a lovely garden, right **in the center of the village**.

Our **chef** always prepares **delicious dishes** and can handle **all dietary needs**, which should be communicated clearly and in advance.

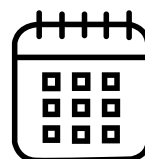

At Camp, there is **one Counselor every seven Campers**. The counselors have rooms next to the campers to attend to any needs and to take care of them closely.

YOU DON'T FEEL CONFIDENT IN ENGLISH?

You're in the right place! We are sure that you will enthusiastically participate in all the activities, and before you even realize it, **YOU WILL LEARN A LOT!**

You can choose **one or two weeks of Camp**: those who opt for two will have more activities, always different!
