C Wonder
English Connects

Are you aware of the importance of gaining confidence in the English language, but the usual intensive courses seem boring and are sometimes ineffective?

We are here for you!

For schools, sports teams, dance schools, artistic associations, cooking classes... and any other educational organization that wants to include workshops in English in its offer.

WHAT TO EXPECT FROM AN ENGLISH CONNECTS PROPOSAL?

- A proposal created specifically for you, in collaboration with you.
- Creativity and expertise: the workshops we create are designed to overcome language barriers, be engaging, and ignite passion among participants.
- A unique opportunity for those attending the workshop to participate in an educational, fun activity in English.
- A trained and motivated team to work with.
