

C Wonder Team Exchange

Sharing interests or a **great passion** is an effective strategy for breaking the ice and **connecting with others**.

Are you a sports team, a school class, a musical group, or simply a group of people who love running, the mountains, art, or poetry? Together, we can find another group like yours from a different country and organize an exchange!

WHAT TO EXPECT FROM A C WONDER TEAM EXCHANGE?

- The opportunity to **practice your passion** while, without even realizing it, **acquiring new vocabulary and terminology in English**.
- Discovering how, in a **different country**, others share your **same interests** and the various ways they practice them together.
- The chance to **see a foreign city** and **share your own** with someone who is unfamiliar with it.
- **Cultivating knowledge, respect, and international friendships!**
